

Notice: *Alternate Assessment Website Login*

The new Idaho Alternate Assessment (IAA) website is located on the State Department of Education's website at: <http://sdestatic.sde.idaho.gov/alternateassessment/>. It can also be found by taking the following steps:

1. Go to the SDE website at <http://www.sde.idaho.gov/>.
2. Choose "Data Collection" from the Directory dropdown menu.
3. Select "Alternate Assessment" from the top of the list on the Data Collection webpage.

This year we have changed the way the login process occurs. Instead of a pre-assigned username and password with your login, you will have a pre-assigned login username but will maintain your own password. The logins are now being or have been created for all the District Special Education Directors and/or District Test Coordinators who must in turn create logins for the teachers or test administrators in their own districts. The teachers or test administrators can then create logins for the teachers in their classroom or school.

The logins were created with your first initial and last name (e.g., Wayne Burr = wburr).

- To check to see if you have a login, go to the website and click on the "Forgot your password" button.
 - Enter in your first initial and last name. ex: wburr
 - If you get the message, "**We were unable to access your information. Please try again,**" then you have not been setup yet. Please email wburr@sde.idaho.gov with:
 - First and Last name.
 - Email address.
 - District to which you belong.
 - School to which you belong. (District Directors and Test Coordinators can choose any school in your district)
 - Teacher or District Administrator.
 - If you get the prompt for **Identity Confirmation**
 - Enter in the Answer to the Question (this can be changed by you later)
 - A new password will be sent to your email
 - Use your new password to Login and then select "Change your Password" button to setup your own personal password.
 - Password needs to be at least 7 characters long, include at least one non-alphanumeric character (e.g., @, *, \$, etc.), and include one numeric character (e.g., 1, 15, 7, etc.).
 - An example is "*password@1*", but please choose something different.

For any questions about the login process or the web site, please contact Wayne D. Burr at wburr@sde.idaho.gov.
